#### Notes:

- 1. This sample report contains one page;
- 2. The examination project has indicates "#", Is refers to this examination project after the environmental protection bureau permission, and depends on the announcement examination method analysis;
- 3. Measuring results below the method detection limit (MDL) are represented as "ND" with the limit value. The symbol "\*" marked before the data represents that the measurement is between MDL to 3.3\* MDL. The data for reference only;
- 4. Of this report only to send sample (s) are not free to copy and as the use of advertising;

#### Declaration:

- 1. I certify that this report is complete and correct to the best of my knowledge in accordance with the Taiwan EPA and the relevant authorities' standard environmental analysis methods. I also certify that all data submitted in this report are true and correct. If this report is discovered to be false, I am liable to pay compensation for the loss suffered by the government, and will accept any administrative disciplinary and criminal punishment;
